

# Navigating the search page

Indicates where you are within the search facility

Allows you to search for a stud or flock by entering the full/part of the name or the Sheep Genetics breed and flock code.

Allows you to search for an animal by entering its full 16 digit Sheep Genetics ID or any part of it. (Example 060280)

Members login - secure area where searches can be saved and exported to Excel, CSV or PDF. All of your animals can be viewed regardless of your web status.

Select the breed group you want to search by

Helpful hint:  
(Login is your 6 digit Breed/Flock code, and the password need to be entered in CAPITAL letters)

The screenshot shows the LAMBPLAN website interface. At the top, it says 'LAMBPLAN' and 'TERMINAL 1 Jan, 2014'. On the left is a navigation menu with options: TERMINAL, SHEDDERS, MATERNAL, FIRST CROSS SIRE BREEDS, BOND, CORRIEDALE, and SAMM. The main content area has a 'Help' section with links for 'Help on searching' and 'MERINOSELECT searches'. Below that is a 'TERMINAL ASBV enquiry' section with input fields for 'Stud/Flock' and 'Animal Id', and a 'Search' button. Further down are links for 'Basic search', 'Advanced search', and 'Mating predictor'. A 'TERMINAL Sire Lists...' section contains a list of links for 'Elites - Carcase Plus - Top 150 Males', 'Elites - Carcase Plus - Top 150 sires', 'Elites - LAMB2020 - Top 150 Males', 'Elites - LAMB2020 - Top 150 Sires', 'Elites - SRC\$ - Top 150 Cleanskin males', and 'Elites - SRC\$ - Top 150 Cleanskin sires'. Below this is a 'Sales and semen catalogues' section with a link to 'currently 7 sales and 35 semen catalogues'. At the bottom is a 'Find a TERMINAL breeder' section with input fields for 'Stud' and 'or breeder name', and a 'Breeder Search' button, along with a link to 'Advanced breeder search'. On the right side, there is a 'Members Login' section with fields for 'Login:' and 'Password:', a 'Remember me on this computer' checkbox, a 'Login' button, and a 'Forgotten your password?' link.

Breeder Search, use the stud or name search to find contact details. Try the advanced breeder search to find breeders in that meet your requirements.

Online sale and semen catalogues, breeders can login and create their own catalogue of sale animals.

The elites list are a predefined search of top 150 animals sorted by index.

# Navigating the Advanced Search page

By clicking on the

You can add in another line to add further items.

Example: you could search for animals from multiple drops.

You can add in a full 16 digit id, or if you have entered other stud identifiers you can enter partial ID.

Example: 060280

You can select the options in this area to suit your search needs.

Removing criteria will sometimes give you better results.

LAMBPLAN » **TERMINAL** » Advanced Search

## General criteria

Breed -- Any --

Year of birth (drop) -- Any --

Sex -- Any --

Id

Progeny of sire

Sire stud name

Sire Id  (eg. '102030')

Breeder location -- Anywhere --
