

Sheep Genetics Search Tool

How to Guide: Creating an account

A guide creating an account for the search site

For: ram breeders, ram buyers and service providers

You can create and register an account to use the site. The best thing is that anyone can create an account and it's FREE!

When you are logged in you can:

- save searches
- customise and save your ASBV columns
- export results
- access your flocks information and create catalogues (SG members only)

We have different ways to create accounts for

- a) Existing Sheep Genetics Clients and Service Providers
- b) Ram buyers and non-members

Key Steps to creating an account:

a) Sheep Genetics Clients and Service Providers

1. Your account has already been created. You will have received an email asking you to register your email address
2. Follow the prompts from the email to finish setting up your email address

If you did not receive an email:

3. Create an account using the instructions below for ram buyers and non-members
4. Email Sheep Genetics on info@sheepgenetics.org.au and provide the following information:
 - Your name and the email address you have registered
 - The flocks you wish to have access to
 - Permission from the flock (if applicable)
5. You will be granted access within 24hours (Mon-Fri excl. Public Holidays)

b) Ram buyers and non-members

1. You can create an account by clicking on “Register” on the new search site

The screenshot shows the homepage of the Sheep Genetics search site. At the top, there are logos for 'sheep GENETICS' and 'mla MEAT & LIVESTOCK AUSTRALIA', along with 'REGISTER' and 'LOG IN' buttons. Below the navigation bar, there is a search bar with the text 'I'm a ram buyer - , I want to search'. Underneath the search bar, there is a section for 'Recommended searches' with the instruction 'Please complete all fields above to view relevant recommended searches'. The main content area features three cards: 'Animals for sale' with a tag icon and the text 'Please complete all fields above to view relevant sale and semen catalogues'; 'Latest updates' with a document icon and sub-sections for 'News' (Breeder's bulletins, Latest news) and 'Useful information' (Analysis dates); and 'Featured video' with a play icon and the title 'What are Australian Sheep Breeding Values?'.

2. Complete the form on the register page

The screenshot shows the registration form on the Sheep Genetics search site. The form is titled 'Sign up to the Sheep Genetics search site' and includes the following text: 'By signing up to use the search site users will be able to save their default list of traits and save searches. Sign up is available to everyone. Additional functionality is available within the site for ram breeders that have flocks registered with Sheep Genetics.' Below this, it says 'Please complete the fields below. All fields are mandatory unless marked as optional.' There is a link for 'Already have an account? Log in'. The form is divided into sections: 'Your details' with 'FIRST NAME' (containing 'New') and 'LAST NAME' (containing 'User'); 'EMAIL ADDRESS' (containing 'newuser@sheepgenetics.com.au'); and 'Location' with 'ADDRESS LINE 1' (containing 'SG Search').

3. You will be sent an email asking to confirm your email address. Verify the email address to complete the process

Logging in to the search site provides the best possible experience
